

Dear Local and State Government Suppliers:

Now is your chance to add your company's listing to the 2009 AMERICAN CITY & COUNTY'S MUNICIPAL INDEX — the key buying reference for local and state governments — by completing the form below ASAP. While basic listings are free, your company can stand out from its competitors by purchasing enhanced listings or target or showcase ads using the form on page 3.

Display advertisers in the Municipal Index receive many free extras, such as unlimited listings, 5 free enhanced listings, 1 logo and a company/product description (see form on page 3).

AMERICAN CITY & COUNTY MUNICIPAL INDEX is the only buyers' guide dedicated to serving the needs of both administrative and public works officials with products and services ranging from lawn mowers to insurance retirement plans to computer hardware and software.

No other product presents your products and services to prospective customers at the perfect time: when they are ready to buy.

We are preparing our 2009 Municipal Index now, so please make sure that current information about your company is included. Simply complete the following listing forms, and return by mail or fax to: Arturo Mora, Penton Media, Buyers Guide Dept., AC&C Municipal Index, 9800 Metcalf Ave., Overland Park, KS 66212. Fax: 913-514-3741.

Questions? Contact me at Bill.Wolpin@penton.com or Arturo Mora at Arturo.Mora@penton.com.

Regards,

Bill Wolpin, Editorial Director/Associate Publisher
American City & County

P.S. Remember, even if you've been listed in the past, you must return your forms to be listed in the 2008 edition.
